

Assembly Instructions with MPC

List of Parts Included with Your Backdrop:

(a) MPC – Multi Purpose Connectors
Qty: 2

(b) Quickfold Support
Qty: 1

(c) Extension Tool
Qty: 1

(d) Valance Hangers
Qty: 2

1 Step One

Remove the MPC (a) from the carrying case. Open one Connector, mount it above the Drape Support on one of the existing booth Uprights, and tighten the bolt until safely secure. Ensure the slots are facing up.

2 Step Two

Repeat for the other Upright.

3 Step Three

Remove the Quickfold Support (b) from the carrying case.

4 Step Four

Open the Quickfold Support (b) to its full extended length and place it on the ground.

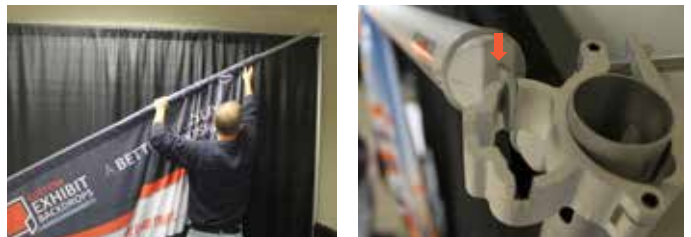

5 Step Five

Remove the Custom Exhibit Backdrop from the carrying case and unfold it. Insert the extended Quickfold Support (b) into the top pocket of the Custom Exhibit Backdrop.

6 Step Six

Insert the hook on one end of the Quickfold Support (b) into the slot on one of the MPC (a).

7 Step Seven

Using the Extension Tool (c), place the other end of the Quickfold Support (b) into the second MPC (a).

8 Step Eight

Adjust your Custom Exhibit Backdrop until it is flat and smooth. Admire your display.

Additional Setup Options

Valance Hangers (instead of MPC)

1 Step One

Remove the two Valance Hangers (d) from the carrying case. Insert the angled end of the Valance Hanger into the slot of the existing Upright as shown.

2 Step Two

Repeat for the other Upright.

3 Step Three

Similar to steps 3-8 on the reverse page, connect the Quickfold Support (b) together, and place one hook of the Drape Support onto an open slot of the Valance Hanger (d).

4 Step Four

Using the Extension Tool (c), place the other hook of the Quickfold Support onto the second Valance Hanger (d). Adjust your Custom Exhibit Backdrop until it is flat and smooth. Admire your display.

Set up for CEB Lite Kit:

1 Step One

Evenly space out your sign hooks across the existing Drape Support of a trade show booth.

2 Step Two

Place each grommet of your Backdrop over the bottom of the Sign Hooks. Adjust your Custom Exhibit Backdrop until it is flat and smooth. Admire your display.
